

## Missouri State Highway Patrol Uniform Crime Report

603E 04/05

Troop\ZoneReport Mon\YrDate SubmittedPrepared by: Name & Badge #

### Monthly Summary of Part I Offenses and Clearances

Criminal Homicide, Forcible Rape, Robbery, Aggravated and Simple Assault, Burglary, Larceny, Theft, Motor Vehicle Theft, Arson and DV incidents. Part I Offenses include ICR codes of 1A through 7C, 8, 9, and 40. Do not include Part II offenses on this page. Only the offenses listed above should be entered on page 1.

Phone #:[illegible]

Column #1: Enter the CAD Incident Number for each event. The CAD number will be the same in both the investigation & Arrest Sections of this report (see reverse) if the Part I Crime investigated was also cleared by the arrest of that same crime's offender(s).

Column #2: Select the Part I Crime from Table One (SHP-604). Select the highest ranked crime for each incident, per jurisdiction. (1A Murder is the highest ranked crime.)

Column #3: This program collects information only on crimes committed in Missouri. Record the "most local" political subdivision. If the crime took place on campus, give name. If within a city limits, provide the city's name. If outside a city, then provide the county of occurrence.

Column #4: If the crime will be reported to the MoUCR Program Office by the MSHP, enter a "H". If the crime will be reported by agreement to the most local jurisdiction for inclusion in that jurisdiction's report, enter an "O".

Column #5: If the crime that was reported or which became known to the MSHP actually took place, enter an "A". If your investigation determines that the reported crime was false or baseless, enter a "U" for unfounded.

Column #6: If cleared, indicate whether the clearance was by an arrest (A) or by exceptional means (X). If not cleared, leave blank.  
(Note: One person arrested clears the crime even though two or more offenders may have been involved.)

Column #7: If a domestic violence incident was associated with the Part I Crime (e.g., assault related to domestic violence) indicate by marking "Y" and provide the appropriate modifier from Column (9) C. If the investigation is strictly for domestic violence, show the Column (2) Crimes Class as "40", and complete the rest of the line, as appropriate. If no domestic violence involved, leave Column (7) blank.

Column #8: If a clandestine drug lab/equipment was seized, indicate by marking "Y". Complete and attach the federal DEA 612 Form (formerly If seized and reported via Patrol radio report, indicate by marking "YRadio".

Column #9: Refer to worksheet titled "Column (9) Modifiers" to determine what modifiers are required.

Column #10: Enter officer badge number.

40	Domestic Violence Incident		

**Note:** With two exceptions, the UCR Program does not collect statistics on Motor Vehicle Law violations.

Exception #1: Report DUI arrests (21A).

Exception #2: Report arrests (not investigations) of Motor Vehicular Manslaughter in the arrest section only and by using UCR Code "1M".

**With the exception of Manslaughter with a Vessel, the UCR Program does not collect information on watercraft violations.**

Offenses and Arrests for reportable crimes that develop as a result of a traffic stop or other enforcement contacts are recorded in the appropriate sections (Incidents and/or Arrests).

The Hierarchy rule should be applied when determining which Part I Offense to report. For Part II Offenses, the most serious offense per the officer's discretion should be reported.

Supplemental Homicide Data Required, contact MoJCR Program Office

When property is recovered with a lesser value than when it was taken, the difference can be collected by entering the information on two lines. To prevent a double counting of the criminal offense, enter an asterisk before the crime classification in the second line.

Values for specific property types can be determined by entering data on multiple lines. Be certain to enter an asterisk in front of the crime classification for each line that lists additional property for an incident to prevent double counting.
